

FOR IMMEDIATE RELEASE

Springtown, TX – BWI Technologies, a locally-owned and operated technology services firm, announced today that it will sponsor a float in the annual Springtown Wild West Days Festival Parade. That float, featuring the young men and women of the Springtown Porcupines 5th/6th Grade White youth football team and cheerleader squad, will participate in the parade that opens the Festival. This highly-attended parade features numerous floats from Springtown-area businesses and groups, marching bands, car clubs, equestrian groups, and various other participants. “I am very proud to be a part of the annual parade and festival, and to be supporting youth sports in Springtown,” said Thomas Like Jr., owner and president of BWI Technologies.
